The 1938 NAPANET

FOREWORD

At the close of this, our fourth and final year at Nappance High School, We, the Class of '38, offer this thirteenth edition of the Napanet.

It is our most sincere wish, that in future years when you turn the pages of this annual, you will recall school friendships, school activities, and the many happy, carefree hours spent within the halls of N. H. S.

THE FACULTY

Before passing forever from the halls of Nappanee High School the class of 1938 wishes to pause to pay tribute to, and to acknowledge our debts to the faculty of this school. We stop in the hurry and hustle, the mad rush of our last year in school and submit our vote of thanks to them.

Throughout our four-year sojourn through high school they have given of the best of their talents to us that we might have a better education, that we might learn to recognize, enjoy, and practise the better things in life. If we, the members of this class of 1938, fail in these points we will concede that we, ourselves, are at fault.

True, it is their life's work, it is their job to teach, but we feel that here at Nappanee High School we have as teachers men and women who are not only fitted in a technical way to teach, who are not only efficient instructors in mathematics, science, music, and the various other curricula, but who impart something else besides these cardinal points. We are able to find that intimate association with the members of the faculty which larger schools cannot do. Each member of the faculty has left his personality indelibly stamped upon some class member, and in after years, when faced by a problem, we will think back and consider how this or that teacher would have faced and solved it.

We are proud of our teachers and the class of 1938 salutes you "*chapeaux bas!*"

CLASSES

Burns Van Sickle

"Three qualities we know he possesses, sense, shortness, and salt."

Wave Anglin

"Tomorrow life is too late; live today."

SENIOR CLASS HISTORY

"We", the class of 1938, have made four successful trips aboard our ship "EDUCATION" with the aid of our officers. On the first trip we were under the direction of Donnabelle Minard, president; Julian Walters, vice president; and Donnabelle Farrington, secretary-treasurer; second trip: Charles Holderman, president; Donald Cleveland, vice president; and Donnabelle Farrington, secretary-treasurer. Our sponsors on these two successful trips were Mildred Shively and Homer Foulke.

On the third trip we were very successful with Eldon Pippen, president; James Miller, vice president: and Donnabelle Farrington, secretary-treasurer. We gave a grand reception with the aid of our sponsors, Irma Blank and Harvey Postma.

We started our first trip with a crew of seventy-six and and are ending with forty-nine and with our sponsors Mr. Roose and Mr. Abell we leave our motto, our colors, our flower, and step ashore off our good ship "EDUCATION." "WE", the class of 1938, say "FAREWELL"! ! ! !

Donnabelle Farrington.

CLASS PROPHECY — 1950

FLASH! FLASH! FLASH! This is the latest red-hot news coming to you from aboard the good ship "EDUCATION" by your ship's reporter, Donnabelle Farrington.

WAVE ANGLIN has sued her ninth husband for divorce on the grounds of not being able to dance.

LOYAL BURKHOLDER, our former cheer-leader, is now auctioneer for QUENTIN SLABAUGH'S Tobacco Company.

DEAN GEYER has accepted the position as coach of the N. H. S. Bulldogs. Now he will have a chance to tell them a thing or two.

MR. and MRS. EDGAR BURKEY, of the Chick Hatchery Burkey's, left today for their summer home in Hollywood, Florida. Mrs. Burkey was formerly OPAL HEPLER.

RUTH NICODEMUS, a newcomer to our class, has just arrived home after spending a year in the mission fields of Africa.

KENNETH MILLER has announced the grand opening of his clothing store in Nappanee. I wonder who peddled his bills for him?

ELDON PIPPEN, Professor of Science, has discovered a new substance that will make men like himself fearless of women.

ELMO PHEND, our so-called Lil' Abner, is one of the most eligible bachelors in New York City.

BETTY MELLINGER, who was always "truckin' " in school, has now been given credit for originating the new dance called the "Bulldog Strut."

JOY PIPPEN, our blonde tap-dancer, signed a contract for the leading role in "I Talk Too Much."

JULIAN WALTERS, manager of the famous Chicago Cubs, is still trying to get ROBERT MISHLER, the home-run king, under contract; so they might be able to win a World Series.

FREDA MAUST, a fashionable widow, has opened a style shop on 5th Avenue.

DEAN LEHMAN, our drummer boy, is now leading his orchestra at the "Spic and Span" Night Club in Nappanee, under the management of DALE SPICHER.

MARY OSBORNE, president of the Lonely Hearts Club, will lecture tonight on "The Advantages and Disadvantages of a College Boy-Friend."

CLASS PROPHECY — 1950

LYNN WISEMAN has announced the opening of his new musical production "Wine, Women, and Wrong," starring EVELYN WARREN, the exotic film star from Japan.

JAMES MILLER, our sheik, is the matinee idol of millions since Robert Taylor married and gave up his film career.

BURNS VAN SICKLE, who has attended Sunday School every Sunday for over six years, has accepted the position as pastor of "The Little Church Around the Corner."

MARTHA CHAMBERLIN, GLENNIS GINGERICH, and CHRISTINE FREDERICK—"The Singin' Songbirds" will broadcast this evening from Michael's Barn. EARL MICHAEL will be master of ceremonies.

EDGAR MILLER, ELOISE MILLER, PAULINE MILLER, and WAYNE MILLER, four of the seven Millers in our class, have signed a contract to play in Mickey Mouse comedies.

RICHARD CAIN, the great bicycle manufacturer, has just invented a three-seated bicycle for ISABELLE MOORE; so she can have ROBERT LAPE and ROBERT MITCHELL with her at the same time. Some fun, eh!

DORIS DAVIDHIZAR, our red-headed nurse, has written a book on her love affair with GENE TROXEL, the bald-headed doctor.

MARGARET HAHN, LA FERNE HALL, and GERALDINE STOUDER, and VERDA HERSHBERGER, are all suing LOWELL HOFFER, the great lover, for breach of promise.

MARY KING and KATHRYN STAHLY will give our radio listeners a bit of advice on "How to Flirt Effectively in a Library."

ROBERT HOCHSTETTLER, our master mechanic, has invented an engine for automobiles that will run on hot-air. I see DONALD CLEVELAND, the Senator from Indiana, was the first to use one.

CHARLES HOLDERMAN, a well-known author, has just completed his book entitled "Girl Trouble."

RUTH GWIN, a famous cosmetician, has received an award for her new milk and honey complexion cream.

MARILYN MILLER, a Metropolitan Opera Star, will sing over this station at 9:30 this evening. Are you listening?

This completes the news flashes of the day from the good ship "EDUCATION." This is your ship's reporter, DONNABELE FARRINGTON saying "Goodnight" to YOU and I do mean YOU! ! ! !

CLASS WILL

We, the Class of 1938, being of sound mind and mental faculties, realizing that we must soon leave these halls of learning, declare this our last will and testament:

I, Wave Anglin, will my out-of-town boy friends to Rosemary Maust.

I, Edgar Burkey, will my girl in Manchester College to anyone who likes to write letters.

I, Loyal Burkholder, will my ability as a cheerleader to anyone who can do better.

I, Richard Cain, will all my nicknames to Nelson Cloud.

I, Martha Chamberlin, will my ability to chatter to anyone at any time to Lola Stouder.

I, Donald Cleveland, will my love for Eloise Miller to my rival from Columbia City.

I, Doris Davidhizar, will my immense liking for Bud Pippen to Phyllis Kurtz, who would also like to be a member of the Pippen family.

I, Donnabelle Farrington, will my hope chest to someone who doesn't have a date every night of the week.

I, Christine Frederick, will my Purdue hero to Helen Stump.

I, Dean Geyer, will my tidy habits to Kathryn Berkeypile to be made use of.

I, Glennis Gingerich, will my daily walks from Speech Class with Bud Pippen to anyone who can make a better catch.

I, Ruth Gwin, will my former country-school sweetheart, Wade Culp, to Ruby Calbeck to be treated in the same way I have treated him.

I, Margaret Hahn, will my dread of facing an audience to someone who has more experience than I.

I, La Ferne Hall, will my Movie scrapbook to James Osborne.

I, Opal Hepler, will my engagement ring to Arthur Sharp to be given to Rosemary Roose.

I, Verda Hershberger, will my favorite saying "for various reasons" to Donnabelle Sheets.

I, Robert Hochstettler, will my dark complexion to Jean Harter.

I, Lowell Hoffer, will my wild Saturday nights to Amos Sheets.

I, Charles Holderman, will my noon passengers to anyone who has a trailer.

I, Mary King, will my little basketball star to Dutch Schuler to be used more next year.

I, Robert Lape, will my egotism to John Malcolm.

I, Dean Lehman, will my admiration for Christine Frederick to Everett Gould.

I, Freda Maust, will my high standards of living to Dale Berger.

I, Betty Mellinger, will my ability to truck to a truck-driver.

CLASS WILL

I, Earl Michael, will my ability to get along with Mr. Foulke to John Lynch.

I, Edgar Miller, will my shoe-shining job to Mr. Best.

I, Eloise Miller, will my loving manners in Science Class towards John Malcolm to Peg Mountjoy.

I, James Miller, will my love for a certain country lass to Tom Wegmiller.

I, Kenneth Miller, will my Thursday afternoon job of peddling bills to Fred Pletcher.

I, Marilyn Miller, will my position on the Junior team to the Seniors.

I, Pauline Miller, will my well-laden purse to Marjorie Corwin.

I, Wayne Miller, will my freakish walk to Gloria Ann DeVaux.

I, Robert Mishler, will my beauty sleep during recitation hours to Glen Stillson.

I, Robert Mitchell, will my ability to get out of Mr. Foulke's assembly unnoticed to Ross Gwin.

I, Isabelle Moore, will my ambition to be a nurse to Isabelle Doering.

I, Ruth Nicodemus, will my ability to make quick friends to Charlotte Lamb.

I, Mary Osborne, will my ability to wind the teachers around my little finger to Dave Coppes.

I, Elmo Phend, will my nickname "Lil' Abner" to Lamar Metzler.

I, Eldon Pippen, will my cave-man laugh to Lois Emmert.

I, Joy Pippen, will my manner of showing-off to Wilma Middaugh.

I, Quentin Slabaugh, will my country-road walks to Frank Yarian.

I, Dale Spicher, will my knowledge of electricity to Carolyn Gentzhorn, to be used with boys.

I, Kathryn Stahly, will my second semesters' school work to Quinnie Banghart.

I, Geraldine Stouder, will my husband-to-be to Jean Oyler.

I, Gene Troxel, will my seat in Economics Class to Lowell Gardner.

I, Burns VanSickle, will my position as a butler to the director of the next Speech Class Play.

I, Julian Walters, will my position as trainer to Earl Holderman.

I, Evelyn Warren, will my desire to go with a certain "red-head" to Marilyn Slagle.

I, Lynn Wiseman, will my perfect attendance record to Harold Copsey.

JUNIOR CLASS HISTORY

In the fall of 1935 seventy-eight self conscious students entered the mysterious realm of high school as freshmen. The honors of president, vice president, secretary-treasurer, and Student Council Members were given to Carlyle Frederick, Ruby Calbeck, Catherine Mullett, Gwendolyn McCormick and Tilson King respectively. The usual skating party was held in November.

In 1936, we returned for more knocks and more fun. Our leaders were president, Glen Stillson; vice president, Arthur Sharp; secretary-treasurer, Catherine Mullett, and Student Councillors, Tilson King, Carlyle Moore, and Martha Wagner. Mr. Foulke and Miss Hoover guided us. The annual skating party was held February 23. All of us yelled ourselves hoarse at basketball games, because two of our members, Tilson King and Robert Rensberger, were on the varsity squad. Time rolled around until Junior-Senior reception night came. In the kitchen of the church eight boys and eight girls anxiously awaited a sign. At the signal, they burst forth. They were the nervous Sophomore waitresses and waiters. We did very well, but (please don't let anyone know) Tilson King spilled pie on Mr. Roose's pants.

In 1937 there were only 60 of us left. We assumed new responsibilities under the guidance of Miss Blank and Mr. Byers. A weiner roast at Geyer's Dam was held October 15, with a record attendance of fifty-five. We are proud to have five members on the varsity team. They are Tilson King, Bob Rensberger, Glen Stillson, James Green and George Price. Donivan Hall was chosen to represent our district at the State Hi-Y Conference. Although it is only February, we are planning for the Junior-Senior reception. It will be hard to rival the reception of last year, but we are sure we shall succeed.

SOPHOMORE CLASS HISTORY

In the fall of 1936 we, as Freshmen entered Nappanee High School. The taunts and laughter of the upperclassmen soon subsided when they were completely ignored by the Freshmen who were determined to allow nothing to hinder their progress.

During the year two skating parties were held at the skating rink under the supervision of our sponsors, Miss Shively and Mr. Dickey.

Time marches on! On September 13, 1937, sixty-six dignified Sophomores strutted proudly down the aisles of the assembly with an attitude of superiority, for we were starting on the second lap of our high school career, and felt that we now occupied a place of importance in Nappanee High School. Mr. Robbins and Miss Shively served as sponsors and contributed much toward our successful year.

DeVon Hall was selected president, David Stalnaker, vice president, and Mary Nola Roose, who has done an excellent job of handling our financial affairs, was retained as secretary-treasurer. Frederick Pletcher, David Coppes, and Robert Arnott were chosen to represent us in the Student Council.

Our class party was held in November at the skating rink.

We have been well represented in the various school activities with two members composing the affirmative debate team, a great number in the band, and many in the Girl Reserves, Hi-Y and G. A. A.

As the year draws to a close we can look back with pleasant memories of the success and pleasure we have enjoyed as Sophomores and we are looking forward to even greater success in the future.

FRESHMAN CLASS HISTORY

This year marked the start on our trip through high school by way of the good old N. H. S. Airline, the destination being graduation from our senior class.

We chose Richard Pippen as our senior pilot to lead us through the first stretch of high school, Robert Stump as our assistant pilot and steward. Our money-holder remained the same, Carolyn Gentzhorn.

We stopped off at Geyer's Dam one October evening to have a weiner roast and marshmallow bake. After this stop we continued on our way.

Our chief pilot says we have another stop in view. We are proud to have four passengers on the second team in basketball. Four of our girls are librarians and a number of our girls belong to G. A. A. and the Jr. Girl Reserves. Thirteen passengers belong to the band, and some to the Glee Club.

Part of our honor for this first trip belongs to Miss Kivett and Mr. Best, our sponsors.

All aboard! We, the class of '41 are off for three more years of our trip before arriving at our destination.

EIGHTH GRADE HISTORY

Early in September, in the year 1936, fifty-eight young, budding, geniuses came from near and far to enroll as members of the seventh grade. As was to be expected we had a hard time keeping out of the wrong room.

After a rough initiation, which we happily survived, we were finally able to settle down and enjoy ourselves. In November of this year we had a united skating party and in spite of the few bumps it went over, a big success.

We had several members on the Junior High basketball team which won all but one game; also we were well represented on the track team.

September soon rolled around again and now we were the more dignified eighth graders, who could go about their duties with greater confidence than they could in the previous year.

Our activities of this year broadened out considerably and we placed several members in the band and on the safety patrol. We also held a sleighing party.

We are looking with great anticipation toward our freshman year in high school.

SEVENTH GRADE HISTORY

Once again a group of eager youngsters came from the old school building to learn the customs of the new.

Our activities included a skating party which was enjoyed by each and everyone present.

Although there have been many new things to learn, and in spite of the fact that we still have many to learn, we of the seventh grade feel that we have made a good beginning in making our class a credit to the school.

EXTRA CURRICULAR ACTIVITIES

To the student with a keen, and alert and wholesome attitude, a course in Nappanee High School means much more than just preparing the studies required of him by the state board of education. It means more than the usual routine of classes from day to day which was the condition existing in former years. Today the student may choose one or more organizations and activities in which he may participate.

The value of these extra curricular activities to the student is inestimable. It is certain that they create, among other things, leadership. It is in these additional activities that certain pupils become recognized as leaders, students who will take and shoulder responsibilities. Also the extra curricular program uncovers talent in various ways. Were it not for the band or glee club, for instance, musical talent would be inhibited and go undiscovered. They contribute to correct mannerisms and Christian character, and develop good social relations as we fellowship together in inter-club social functions. It is through these activities that we are able to put into practise the philosophy of life as taught us by our faculty; for where, in the regular school curriculum, can we learn to match wits as we can on the tennis court or on the debate team? How better can we learn to develop poise, grace, and culture than by practising them in our various activities?

Requiring students to have a specified number of extra curricular points before he may graduate is a relatively new idea, but it is hoped that through this medium more students will be encouraged to take part in school activities.

To those students who have given of their best in time and talent, and who have assumed their full share of responsibility, is due the present high level in every extra curricular activity.

All things must eventually come to an end, but we members of the staff have often wondered if the work on this thirteenth volume of the Napanet would ever be finished. However, at last, after months of denying ourselves, after months of hard work we have completed what is undoubtedly the greatest task our class has yet undertaken.

Not all of the work has been fun; neither has all of it been drudgery, but we gain our compensation for our work with the satisfaction gained from the knowledge that we have done our best.

We offer this book to you for your approval with every confidence that it will satisfy your most exacting requirements.

As the curtains draw to a close for another year of band work, we consider ourselves very fortunate in being one of the members and of having such a successful year.

During the year there have been many accomplishments achieved. A set of tympani and a bell lyra have been added to the instrumentation of the band and as the highlight of the year, beautiful new uniforms were purchased in time for the concert and contest.

Through the co-operation and support of the people of the city, school officials, Civic Clubs, by having bake sales, giving concerts, etc., we have seen what has been accomplished.

At the district contest, held at Goshen, luck was again with us and we placed in first division of the Class B schools, thus making us eligible for the state contest which was held at Huntington.

Several soloists in Junior High and Senior High placed in first division along with our Brass Quartette.

Although we have been successful in many ways, we realize that only under the direction of Mr. Busche did we attain with such pleasure these goals.

We are wishing the band and its conductor, the best of luck and musicianship in the state band contest in the years following.

This year an A Cappella Choir was formed as a part of the work of the Mixed Chorus. To be in the Choir, you have to pass a rigid voice test given by our director, Miss Lantz, which only select voices can pass. There are only twenty-five of the forty members of the Chorus in the A Cappella Choir.

Several programs were given by the Mixed Chorus among which were the spring and fall concerts, the program over WTRC, the Baccalaureate and Commencement programs, and several programs in the assembly. Several of our members were sent to sing in the combined chorus at the North Central Indiana Teachers' Association.

Under the capable direction of Miss Lantz, and with the help of our talented accompanist, Rosemary Roose, the club has been a great success and much pleasure has been derived, in addition to the knowledge gained, from our hard hours of study.

The Nappance Hi-Y is an active organization consisting of thirty-five members, each striving to better the conditions of his school and community. This organization is affiliated with the state Y. M. C. A. through other local organizations.

The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community a high standard of Christian character based on clean living, clean sports, clean speech, and clean scholarship.

The meetings are held bi-weekly during the school year. At these meetings, after the business session, a program arranged by the vice president is presented. Other activities of the club are mostly social, such as the annual Father-and-Son Banquet.

To become a member of the Hi-Y you must be approved by the advisory board. After "due" initiations, you become a full-fledged member of a worthwhile organization.

In 1925 the Elkhart Y. W. C. A. organized a Girl Reserve Club here with Miss Hazel Dickey as sponsor. Miss Dorothy Smith was her successor and she in turn was succeeded by Mrs. Coppes. Mrs. Swihart was the sponsor in 1936 and Miss Lantz and Miss Kivett are our present sponsors.

The club consists of Sophomores, Juniors, and Seniors, and meetings are held every two weeks on Tuesday morning.

The rough initiation was held October 14 at the school and the serious initiation was held at the school October 25 with Mrs. U. J. Shively as guest speaker.

Several parties were held during the year and several joint parties with the Hi-Y were enjoyed. Fifteen members and Miss Kivett attended the G. R. Conference on March 19 at the Elkhart Y. W. C. A.

The interest and co-operation of the club members and sponsors have made the club an even greater success than ever before.

The club is made up of seventh-grade, eighth-grade, and freshman girls. It was organized in 1925 by Mrs. Georgia Miller Replogle as a branch of the Senior Girl Reserves. Miss Shively is the present advisor.

On November 2, 1937 the new members were received into the club through the Recognition Service and one evening during the same month they were given the "rough" part of the initiation.

At Christmas, the Junior Girl Reserves together with the Senior Girl Reserves purchased Christmas baskets.

Then on February 14, 1938, the girls had a combined potluck supper and valentine party. Thirty-four members were present and all enjoyed the party immensely.

The bi-monthly meetings are usually given by the girls. Sometimes we have a guest speaker. Marilyn Stahly, the chairman of the program committee, and Joan Mellinger, our song leader, have done much to contribute to the success of our meetings.

The Student Council is a more or less democratic organization, as it allows the students to help in framing school laws and codes.

This year's Student Council entertained the council from Wakarusa, and much of the time at this meeting was spent in discussing the functions of each respective organization.

In addition to its routine of making laws, regulations, etc., it maintains the Lost and Found Department, which, as its name indicates, helps to locate articles which have been lost, and return them to their owner.

An amendment passed this year states that a new member shall be elected each year as follows: When a class enters the seventh grade they shall elect one member, who shall be carried from year to year, and hence by the time they were seniors they would have six members on the council.

Martha Chamberlin was chairman of the Girls' Athletic Committee and Junior Dumph was chairman of the program committee.

NATIONAL HONOR SOCIETY OF SECONDARY SCHOOLS

This is the third year for the National Honor Society of Secondary Schols in Nappanee High School. The Charter was granted to the Nappanee chapter March 25, 1936. Membership in this organization is determined by the high school faculty, and is based on character, scholarship, leadership, and service. The membership is limited to fifteen per cent of the Senior class, and five per cent of the Juniors.

All the members of last year except Eldon Pippen and Mary Osborne were lost by graduation. Last fall the membership was increased by the election of the following: James Miller, Donnabelle Farrington, and Doris Davidhizar. In January, 1938 it was again increased by the election of the following: Martha Chamberlin and Marilyn Miller, Seniors; and Gwendolyn McCormick, Catherine Mullett, and Rosemary Roose, Juniors. Thus, the entire membership is composed of seven Seniors, which is fifteen per cent of their class, and three Juniors, which is five per cent of their class.

This year the organization took charge of the Concert given by the Indiana University Men's Glee Club. Although the members have not taken a very active part in school activities as yet, they hope to do more in the future.

The Nappanee High School Debate Club completed its third year of debating under the supervision of Kenneth Mitchell.

At the opening meeting seventeen members were present. Meetings were held each Monday and Wednesday night after school in Mr. Mitchell's room.

In the first part of December Mr. Mitchell and eleven members of the club attended the Eighth Annual High School Debate Conference held at Purdue University. Following this trip several members dropped out.

Throughout the season practice debates were held at the following schools: Elkhart, Ft. Wayne, La Porte, and Central of South Bend, where the two teams met several different schools in the state. Also several schools came here, including Riley of South Bend, Warsaw, and Columbia City.

On February 5 and 12 the district conference tournaments were held at Wakarusa and Goshen respectively. At Wakarusa we defeated both Goshen and Concord. At Goshen we won over Jefferson but lost to Wakarusa, which eliminated us from the tourney. Elkhart won first place, Nappanee and Wakarusa tied for second, and Goshen and Middlebury tied for third. Others participating in the tourney were Concord and Jefferson.

The final debate teams consisted of:

AFFIRMATIVE	NEGATIVE
Betty Phend	Joy Pippen
Jack Byers	Christine Frederick

Anna Culp served as alternate to the affirmative team.

The question debated throughout the season was, "Resolved, That Indiana should adopt a system of unicameral legislation."

In the school library there are now approximately 2,300 books and twenty weekly and monthly magazines available to the students, both of which cover various interests including those of nature, athletics, science, religion, health, current events, and numerous others.

In order to insure a fair chance for reference work to each student, books for reference reading are placed on the reserve shelf to be used only one hour at a time by any student.

The librarians, each who earn extra curricular points, are expected to be familiar with the library and aid those who are not acquainted with it. Other duties include checking in new magazines, keeping a record of all books taken out, cataloging books, and collecting fines on over due books. The fine is one cent a day on general books and five cents an hour on reserve books.

A new rule, requiring the student to prepare a written excuse before using the library, has resulted in the eliminatin of the students who used the library only to visit and loaf.

The librarians and their supervisor appreciate the fine spirit of cooperation shown by the entire student body during the past year.

FI-KEM SCIENCE CLUB

Marvin Miller, Arthur Sharp, George Bock, Eldon Pippen, James Miller, Wilfred Ulery, Ralph Jerles, Everett Gould, Donivan Hall, Mr. Foulke, advisor.

The Fi-Kem science club was organized in 1936, largely through the efforts of Mr. Foulke and several students, to encourage and create an interest in chemistry, physics, and other fields of science.

Last year's members included Hobart Blosser, Gerald Mullett, Burnett Martin, Ernest Pletcher, Harvey Miller, Robert Sharp, Glenora Hall, and Eldon Pippen. To become a member one must have, among other things, an average of "B" or above in both grades and citizenship, and must have studied some science for at least one year.

Meetings are held bi-weekly between the hours of seven and ten in the science room of the school building or at some member's home. Programs are given by the club members or some outside speaker is often invited to appear before the club.

The activities of this club have been somewhat limited because of the small membership and other contributory factors, but it has taken several trips to points of interest and this year's club has laid plans to visit the Field Museum at Chicago.

Because of its high entrance requirements and because of the generosity of its sponsor, Mr. Foulke, this club has been quite successful and thoroughly enjoyed by every member.

The activities of the Future Farmers are not confined entirely to the school season. This summer, on August 28, a camping trip was held at Indian Hill. There were about 12 members and guests present. We started on Saturday morning and returned Sunday. The time was spent in fishing, swimming, playing ball, and archery.

Shortly after school began seven new members were accepted and initiated into the Green Hand degree.

To enrich the treasury, the chapter decided to sell candy at noon, to students.

When the basketball season arrived, we organized a basketball team to give the members an opportunity to participate in this sport.

A local corn husking contest was held and prizes were furnished by the Nappanee Business Men's Association. A representative of our chapter was sent to the district contest.

A pest killing contest was held between New Paris and our chapter. We, the losers, gave a party for them in the high school gym.

The annual Father and Son banquet was held on Tuesday night, March 15, 1938, in the agriculture room of the new building. A pot-luck supper was followed by several short talks, and motion pictures.

The chapter tested seed corn for the nearby farmers and themselves. The money, above expenses, was placed in the treasury.

The Future Home Makers' organization is composed of present and past students in the home economics department.

This year the club has had several very interesting outside speakers. For our Armistice program, Rev. J. Floyd Seelig spoke on "Experiences in the World War". Miss Kivett discussed "Art in Home and Clothing," while Mr. Busche in his program stressed the value of music in the home. "Old and New Kitchen Utensils," was interesting as given by Mrs. Chas. Byers. Last, but far from least, was the fine display of Spring fashions modeled by the girls under the direction of Mrs. Wayne Best.

The girls and the public heartily cooperated in a successful cookie and cake sale for St. Valentine's Day.

The club this year has been a social and instructional aid to the girls and has improved in many ways upon former yers.

"BASHFUL BOBBY"

Left to Right: Miriam Stahly, Ruby Calbeck, Freda Maust, Glennis Gingerich, Marilyn Slagle, Geraldine Stouder, Joy Pippen, James Miller, Eldon Pippen, Earl Michael, Robert Mitchell, Burns VanSickle.

On November 16 and 17, the Speech Class, under the direction of Kenneth Mitchell, presented the three-act comedy "Bashful Bobby," which was a decided success. Robert Downing, as his nickname indicates, was an extremely bashful high school graduate who went from one extreme to the other when under a hypnotic spell cast by one of his friends. The failure to bring Bob out of his trance led to many intriguing situations, but after Madame DuPont, a professional hypnotist, had brought him out of his trance, Bob was able to strike a happy medium between his two extremes.

The patrol system has become a firmly established organization of Nappanee High School since its inception some seven or eight years ago. During this period of time it has done excellent work in safe-guarding the lives of the younger children as they went to and from the school, as is quite stongly evidenced in the fact that not one accident has occurred during the time they have been on duty.

Patrol members, chosen from members of the seventh and eighth grades, go on duty at their respective posts each morning, noon, and evening.

Frederick Jensen is this year's supervisor of the patrol.

This organization deserves a vote of thanks for their splendid work and every one should strive to cooperate with it to the fullest extent.

LITERATURE

PEACE

What mean we when we speak the word?
What feel we when it hath been said?
Is peace the heart of life itself;
Or speak we only of the dead?
What doth it mean to each of us
To be at peace with all we meet?
Not just within a group, beloved,
But all we meet upon the street.
At peace with all both here and yon
Nor race or color might we shun,
But strive with each act and tongue
To further peace that is begun.
Might life that brings each setting sun
Bring every member of God's race
A-glow of peace, that penetrates
And beams its blessing in each face.
The blessing of such peace exists
For all, who'd lay the selfish by
And live for others as ourselves,
As weeks and months and years go by.

IT'S A GOOD OLE' SCHOOL

Farewell! Ole' school — I'm ready to leave,
Now please don't feel hurt or even grieve;
There will be others here next year —
To take the place of your Seniors dear.

We've had our fun, if you can call it such,
Although it has not been very much;
We appreciate what you've tried to do,
But there are limits to most things, too.

When we were Freshmen and very green,
You didn't want us heard or even seen,
But we did get a skating party out of you;
And that was all, until the year was through.

Then we were Sophomores and very smarty,
And the same old story, no place for a party.
We were looking forward to the Junior year —
When we, at least, could have some Reception cheer.

Hurrah! We were Juniors and still you reign,
We tried hard to have fun, but it was all in vain.
Oh! We did have fun at the Reception we gave,
To the Seniors, in whose honor we did slave.

Now we are Seniors and our school days are o'er,
When Baccalaureates and Commencements come no more.
We'll envy the others who return in the fall —
For you are a good ole' school after all.

Donnabelle Farrington

DIPLOMA HOUR

The graduating class of 1938 numbers forty-nine. There are twenty-five boys and twenty-four girls. While much smaller than the classes of 1936 and 1937, still this is the sixth largest class to graduate from N. H. S. During the past fourteen years, 315 boys and 336 girls have graduated from N. H. S. The Valedictorian has been a girl ten times; the Salutatorian has been a girl nine times. Are girls brighter than boys, or do they work harder?

Birthdays. Every month of the year has one or more birthdays. April with nine is most popular. June with seven birthdays and November with six are next highest. February and May have two each and August and December one each. Two graduates celebrate April 9th and two celebrate June 16th. In each instance these students are the same age. One girl was born on April 1st and one boy on Flag Day, June 14th. Two were born in 1918, nine in 1919, thirty-six in 1920, and two in 1921. One of the latter completed her school work in 11½ years, while the other started to rural school at the age of 5 years and 6 months. The babies of the class are Marilyn Miller and James Miller. Marilyn, the youngest is 16 years, 11 months and 14 days old today.

The average age of the boys is 18 years, 2 months, 12.84 days.

The average age of the girls is 18 years, 0 months, 27.42 days.

The average age of the girls is 13.42 days greater than last year, but commencement comes 14 days later.

The attendance of the class has not been as good as that of some former classes. It is not as good as the class of 1937. Their average attendance was 97.47%. The average attendance for this class is 97.12%. The girls missed an average of 4.48 days each year, while the boys missed an average of 5.85 days each year. A total of 1015½ days had been missed up to April 6th — 585 1-3 days by the boys; 430 1-6 days by the girls. Those who have missed less than five days during the four years are as follows: Earl Michael, Eldon Pippen and Evelyn Warren perfect attendance; Eloise Miller 1 2-3 days absence; Ruth Nicodemus 2 days; Glennis Gingerich and Kathryn Stahly 4 1-6 days each.

Of the 49 graduates, one entered Nappanee Schools in 1924, five in 1925, twenty-six in 1926, seven during the past four years, and the other ten attended rural schools until they came to Nappanee H. S. four years ago. Fifty other children entered Nappanee first grade in 1926. Of these, twenty-two dropped out, eighteen moved, five are still in N. H. S. and five are graduating elsewhere. Thirteen of these graduates are classed as rural and thirty-six live in Nappanee.

J. A. Abell, Superintendent

SOCIETY NOTES

STUDENT COUNCIL PARTIES

The Wakarusa Student Council was entertained by the Nappanee Council on Monday, January 31, in the High School. To open the meeting, the presidents, Erma Truex and Julian Walters, introduced each of their members. After a miscellaneous (and was it miscellaneous!) program, ice cream and cake was served.

On April 5, the Wakarusa Council entertained the Nappanee Council in their gymnasium. The evening was spent in playing games, after which a luncheon was served.

GLEE CLUB PARTIES

Two parties were held by the Glee Club during the year. The first was a cootie party on January 10. Refreshments were sandwiches and Coca Colas. The second was a kid party in the form of a surprise for Miss Lantz's birthday. After the refreshments of ice cream and cake, a gift was presented to Miss Lantz. (And she really was surprised!)

FUTURE HOME MAKERS

Dora Linn entertained twenty members of the F. H. M at her home on October 19, for the purpose of holding a rough initiation. The initiation really was rough, especially when you consider the rough treatment they received the next day. On March 31, Verna Slabaugh was the hostess to the club at a weiner roast.

FI-KEM PARTY

On March 17, the members of the Fi-Kem Science Club met at the home of Mr. Foulke for a dinner which no member will soon forget. The meeting was thoroughly enjoyed, and there was much laughter over Bill's funny faces. (Remember 'em?)

HI-Y DISTRICT CONFERENCE

Thursday, March 31, eighteen members of the Hi-Y attended the conference at Elkhart. Two most interesting addresses were delivered by Dr. J. Raymond Schutz, and fellowship and singing were enjoyed at the banquet held in the Y. M. C. A. Each member came away better and wiser for having attended.

JUNIOR CLASS PARTY

Geyer's Dam was the place for a party on October 15, held by the members of the Junior Class. The party was an outdoor party with games being played after the weiner roast. Everyone had lots of fun—including the sponsors (!).

SOCIETY NOTES

HI-Y FATHER-AND-SON BANQUET

The eighth annual Hi-Y Father-and-Son Banquet was held at the Evangelical Church, November 23, 1937.

Following the dinner those present were entertained by a vocal solo by Carlyle Frederick, and selections by the brass quartette composed of Jack Byers, George Reher, Harold Holoway, and Fred Pletcher. The Rev. J. Floyd Seelig delivered the main address.

GIRL RESERVES

The rough initiation was held in the gym on October 14. After a rather spooky trip through the gym, the new members were dismissed with instructions as to what to do the next day, and, I might add, they had to do plenty! The serious initiation was held several weeks later with Mrs. U. J. Shively as the guest speaker. A St. Patrick's Day Party was held on March 18. After a potluck supper, cootie was played with several prizes being awarded. Also, about fifteen members attended the G. R. Conference at the Elkhart Y. W. C. A., on March 19. As one of the last events of the season, the girls entertained their mothers at an honorary party for Mother's Day.

FUTURE FARMER'S FATHER-AND-SON BANQUET

On Tuesday, March 15, the members of the Future Farmers entertained their fathers at a banquet in their honor. Moving pictures were shown after the banquet, entitled "Uncle Tom's Cabin." An open forum was then held, followed by several talks by Mr. Roose, honorary members, and several of the fathers. Loyal Burkholder, the president of the club, also contributed to the program by giving a talk on the F. F. A. work.

JUNIOR-SENIOR BANQUET

The crowning event of the year's social functions was the annual Junior-Senior Banquet, on May 20, 1938, at the Methodist Church. After the banquet, the following program was presented:

Hoisting the Jolly Roger .....Arthur Sharp
Swinging at the Yardarm .....James Miller
Pirates Chantey .....Carlyle Frederick
Charting the Course
Pirates Hornpipe .....Evelyn Roose and Marilyn Slagle
Piratical Characteristics in Students .....Captain Blood

ATHLETICS

School Athletics were organized to teach skill in the participating of sports and learning to appreciate the value of a co-operative attitude and clean play.

The first several months of the athletic calendar are devoted to the playing of tennis matches and baseball games. The conference games of the schedule are arranged by the Northern Indiana High School Athletic Association of which Nappanee High School is a member.

As winter approaches and sports are forced indoors, interest naturally turns to basketball. This game was first played in the school in 1912 when Mr. Galen Roose, Mr. Harvey Frederick and Mr. Samuel Sharp were among the team members. The first playing floor was what is now known as the Stuckman skating rink, but play was later changed to the new high school gymnasium, and finally to the Community Building.

Baseball is played in the spring as well as in the fall and track is added to the list of activities.

Football was first played about 1906 and 1907; golf was played for one year, but both of these are eliminated from our present schedule of sports.

The Girls' Athletic Association affords an opportunity for girls in the line of physical development, by the playing of such games as, indoor baseball, basketball, hikes, etc.

Noon basketball is played by both girls and boys. This serves as an outlet for those boys who could not qualify for varsity, freshmen or junior high basketball.

The spirit of good sportsmanship has been prevalent among the Nappanee players and fans. We are proud to say that although Nappanee teams have played hard, they have played a clean, fair game.

THE PLAYERS

Eldon Pippen (Bud). Bud's floor play and fighting spirit is a great factor in holding the team morale which is so necessary in basketball. Eldon is a senior this year.

James Miller (Jim). Jim's clever dribbling and basket eye proved to be an important factor in the winning of games. James is a senior this year.

Elmo Phend (Elm). Elm's defensive play and rebounding many times kept the Bulldogs in the running. Elmo is a senior this year.

Wayne Miller (Soit). Soit's defensive play and scoring ability proved invaluable to the team. Wayne is a senior this year.

Robert Mitchell (Jesse). Jesse is one of the few players who is able to play cool basketball in the pinches. Robert is a senior this year.

Robert Lape (Mose). Mose's clever ball handling and dribbling has puzzled many an opponent guard. Robert is a senior this year.

Robert Rensberger (Rensy). Rensy's ability to hit the basket made him one of the Bulldogs greatest scoring threats. Rensberger is a junior this year.

Glen Stillson (Glen). Glen proved himself to be an important part of the Bulldog team by his clever footwork and his basket eye. Glen is a junior this year.

James Greene (Jim). Jim proved to us his ability to get rebounds and hold his opponent from scoring. James is a junior this year.

George Price (Pork). When scores are needed in a close game, George is just the man you need. George is a junior this year.

Tilson King (Til). Ball handling and ability from the foul line are two of Tilson's best basketball qualities. Tilson is a junior this year.

Gerald Banghart (Plug). Plug who is the spark plug of the team showed us his ability to dribble and handle the ball at any speed. Gerald is a junior this year.

OUTSTANDING GAMES

Nappanee 26 Goshen 27

The old Redskin-Bulldog rivalry was renewed in a fiercely contested game at the Goshen High School gymnasium. After a good first quarter for the Bulldogs, the Redskins settled down and soon narrowed the margin to practically nothing. From this point to about the end of the game the Naps trailed by several points but staged a remarkable rally to send the game into an overtime. Nappance lost the game in the overtime and also lost its tenth game of the season.

Nappanee 33 Elkhart 35

On January 28 the Nappanee Community Building was crowded to capacity to see the battle waged between the Nappanee Bulldogs and the rival Elkhart Blue Blazers. In the preliminary game between the Nappanee Pups and the Elkhart Shortfellows, the Pups came out on the short end of the score. This was a tense and exciting game with only one point difference.

The Bulldog and Blazer teams were greeted, as they came onto the floor, by mingled boos and cheers. Both teams played inspired ball and the lead changed hands many times. In the closing minutes of the game Elkhart scored to win by a two point margin.

After the game was over, the over enthusiastic fans vent their feelings in a slugging fiesta which was settled later and again established a friendly relation between the two schools.

Sectional Tourney

On March 3, 4, and 5 the teams of Elkhart County competed in the annual sectional basketball tournament which was held at Goshen. Thursday evening the Bulldogs advanced to the quarter finals but were put out then by the Goshen Redskins. The Redskins were then beaten by Wakarusa who met Elkhart in the finals. Both Wakarusa and Elkhart brought forth some uncanny basket shooting. It was a very thrilling game and the plucky Waky Indians were finally downed.

SECOND TEAM BASKETBALL

The Nappanee Pups lost 5 games of the scheduled 20 and won one-half of their conference games. Most of their losses were by one to seven points difference.

TENNIS

Tennis first became a part of the Nappanee High School sports program in 1923. It was in the Fall of this year that the enthusiasts of this splendid game strode forth to brandish their rackets in the faces of the future Bill Tildens of opposing schools. Our tennis teams have not been very successful in the past due to lack of enthusiasm and intelligent practice on the part of the participants, and Nappanee has yet to win a conference title in this sport, although she came quite close this year, winning six out of eight of her matches.

To give the players a visible reward for their efforts, and to induce more to engage in this sport, a sweater is given to the player who wins two-thirds of his singles matches; also girls may win points in tennis and thereby earn a letter.

The student of the game will find that it is a highly scientific one and new situations constantly present themselves to be mastered by the player. He may be forced to serve, lob, volley, and smash in the space of one point, and if he would defeat his opponent he must employ strategy and tune his wits to a high degree.

One of the beauties of the game is that it is almost as well suited for women as it is for men, and hence both can gain the many benefits to be derived from participation in the same. It takes you out of doors, and compels you to breathe deeply of fresh, clean air which has been filtered by the rays of the sun. It provides a means of healthful relaxation and gives one the bodily exercise so essential to the person who could possess a vibrant, glowing health. It improves one's sense of timing and co-ordination and hence contributes to grace and poise.

In future years we hope to see more students attracted by tennis, for the friendly "ping" of a tautly strung racket, and the satisfaction of a well-placed shot, hold a thrill not to be found elsewhere.

In the Conference Track meet held in East Chicago last year, Jack Bean placed fifth in the 220 yard dash; Wayne Miller was fifth in the half-mile run and Richard Hockert ranked fifth in the Pole Vault.

These placings were made after the write-up of last year's annual had been completed.

Interest in track events have increased in the last few years. More boys are trying out for the sport and the public interest is increasing as was shown at the triangular meet held in Nappanee on April 15. This year there are approximately 22 out for track. This is about the largest group ever to try out for this sport.

GIRLS ATHLETIC ASSOCIATION

Top Row: Jean Schell, Isabelle Rensberger, Marilyn Slagle, Betty Callander, Mary Fields, Betty Phend, Marilyn Pippenger, Dora Linn, Wilma Middaugh, Lois Wagner, Eloise Miller, Corabelle Shaum, Ruth Nicodemus Velma Davis, Mary Alice Seelig, Martha Wagner, Eloise Stahly, Gertrude Yoder, Anna Ruth Mullett.

In the year 1931, Miss Heestand, Miss Heckaman, Mr. Goodrich and Mr. Schuler organized a club for the purpose of giving the high school girls a chance to participate in sports thus enabling them to win monograms. This club was named the Girls' Athletic Association and was sponsored by the student council.

This year the officers of the organization are: Martha Wagner, President; Ethel Mae Gould, Vice President; Elner Hochstettler, Secretary and Treasurer; and sponsor Miss Hoover.

There are seven sports: Basketball, Baseball, Volleyball, Track, Tennis, Hiking and Bicycling.

In order for a girl to receive her points she must participate in at least four and not more than seven sports. She may also receive points for refereeing, keeping time, keeping score or being a captain.

When she has earned 150 points she receives a small (NHS) monogram. After she has her monogram she may buy a six-inch (N) monogram.

Martha Wagner.

COACH

Herman Schuler

This marks "Dutch" Schuler's tenth year as coach of the Nappanee High School basketball and baseball teams. During these years he has guided the Nappanee teams, he has made a splendid record for himself and for the school. Not all of his teams were always winning teams but he emphasized clean play and proper attitude of players more than the mere winning of a ball game. We can be proud that we have as a coach a person who instills into his players these vital points of sportsmanship. We of the graduating class sincerely extend our best wishes for still greater success.

STUDENT MANAGER

Julian Walters

The job of a student manager requires much time and labor. His job includes being at practices and games, polishing balls, packing and unpacking suits, inflating balls, seeing that players keep training, etc. Julian has been trainer for two years and has handled this job capably.

CHEER LEADERS

Loyal Burkholder and Carlyle Frederick

Loyal and Curly have faithfully followed the team and led the cheering for N.H.S. They put forth their best efforts and created several new yells. They did much to arouse the school spirit and keep the fans at the peak of excitement. The school appreciate the time given by these two students to keep that old spirit active.

JOKES & ADS

Red Stalnaker: "Are you fond of indoor sports?"
Ruby C.: "Yes, providing they go home early."

Little Girl: "Nurse, will I have a mustache on my lip like Daddy has when I grow up?"
Nurse: "Pretty often, dear, I expect."

Tilson King: "Your father is most unreasonable."
???????: "Why, dear?"
Tilson: "Because he tells me not to lose sight of my object in life—and he kicks when I call on you seven nights a week."

Jim Green: "Don't act like a fool."
Red Lynch: "There you go—you want a monopoly on everything."

Plug Banghart: "I'll have you know I'm a self-made man."
George Bock: "Yes, so I have assumed. But who interrupted you?"

Mother: "After all, he's only a boy, and boys will sow their wild oats."

Father: "Yes, but I wouldn't mind if he didn't mix in so much rye."

Dean Geyer: "You've been out with worse-looking fellows than I am, haven't you?"

She ??? did not reply.

D. G.: "I said, you've been out with worse-looking fellows than I am, haven't you?"

She ???: "I heard you the first time. I was trying to think."

Mr. Best: "Now the answers for the next group of questions is as follows: 1, 7, 9, 8."

During the midst of his listing of the numbers some one in the front row yelled "bingo!"

Judge Slabaugh: "What's the charge against this man, officer?"

Officer Troxel: "Bigotry, yer honor. He's got three wives."

Judge Slabaugh: "I'm surprised at your ignorance, officer. That's trigonometry, not bigotry."

He Got the Job: A young boy, undergoing an examination for a position, came across the question: "What is the distance of the earth from the sun?" He wrote his answer as follows: "I am unable to state accurately, but I don't believe the sun is near enough to interfere with a proper performance of my duties if I get this clerkship."

Elderly lady (at post office): "I'm giving a party. Can you tell me the rules for playing post office?"

College graduate: "Have you an opening for a bright, energetic college graduate?"

Honest employer: "Yes, and don't slam it on your way out."

A young lady and her partner were about to begin an afternoon of golf. Before teeing off, the young lady remarked: "Look at that girl dressed in men's clothing. Doesn't that look terrible?"

"I beg your pardon, but that girl is my daughter," said her partner.

"Oh, I'm so sorry," the young lady replied, very much embarrassed. "I didn't know you were her father."

"I'm not, I'm her mother."
